Approve Dividend for 2022

Dat<mark>ed o</mark>n July 14, 2023.

ADDRESS BY THE CHIEF EXECUTIVE OFFICER

On behalf of the Board, Committees, Management and Staff, I welcome our cherished members and guest to the General Meeting of the Union. It has been over a year since our last meeting. The Union has thrived through the challenges and taken advantage of opportunities available in ensuring the maximization of your wealth.

Operations

The period under review has been a challenging one. The economic meltdown necessitating the Domestic Debt Exchange Programme and other macroeconomic factors affected the operations of the Union. In light of these, the Union was able to grow in such trying moments in asset size as well as making some profit during the period. It granted more loans to members which boosted member confidence to increase their savings.

Member Services

The Union improved service delivery to members during the period. We organized open for and focus group discussions to educate members on the products and services offered by the Union. We extended our services to people regardless of geographical location through the introduction of the Virtual Branch.

Technology

The Union has introduced the Virtual Branch to serve members everywhere. This Branch also serves salary workers among others.

The Union is building its capacity to introduce Unstructured Supplementary Service Data (USSD) for convenience and operational efficiency for member service delivery. We upgraded our internet connectivity and our IT infrastructure.

Human Resource

The Union has developed and continues to support the development of the capacity of the Board, Committees and Staff. The Union sponsored Board, Committees and staff to attend training programmes to equip them with technical and behavioural skills to carry out their duties.

The Union increased its staff strength from 70 to 74 to help sustain the growth in membership and all facets of the union's operation.

Conclusion

We thank you members for your continuous support in the operation of the Union. We also appreciate the contributions of all other stakeholders in the affairs of the Union.

Mrs Christina Kilson

- Members' Economic Participation
- Autonomy and Independence
- Eduction, Training and Information
- Cooperation Among Co-Operatives
- Concern for Community

PROFILE OF UEW CO-OPERATIVE CREDIT UNION LTD. (UEW-CCU)

BRIEF HISTORY

The UEW Co-Operative Credit Union started in November 1994 with an initial membership of 28 who were Senior Members, Senior, and Junior Staff of the University. These members were made up of twenty-one (21) males and seven (7) females whose contributions were made from payroll deductions in January 1995, and within six (6) months, the Union began granting loans to its members.

In August 1995, the Credit Union held its maiden Annual General Meeting (AGM) with an increased membership of one hundred and thirty-seven (137) and a total savings of GH¢422.00. By December 31, 2022, membership of the Union had grown to eighteen thousand, two hundred and eighty-five (18,285) with a total savings and asset size of of GH¢45,327,306.15 and GHS66,799,469.98 respectively.

Membership of the Credit Union which initially was restricted to the staff of the University was opened to the public in June 2011.

The Union currently has Seven (7) operating Branches/Agencies. These are:

- 1. Winneba Main Office
- 2. Mampong Ashanti Agency
- 3. Kumasi Agency
- 4. Senya Beraku Agency
- 5. Buduburam Agency
- 6. Cape Coast Agency
- 7. Virtual Branch

MISSION STATEMENT

The UEW Co-operative Credit Union exists to provide efficient financial services to all its members.

VISION STATEMENT

To become an excellent technology-oriented institution for member-focused

financial solutions.

OBJECTIVES

The objectives of the Union are as to:

- (i) Promote thrift and the habit of savings among its members.
- (ii) Provide credit to its members for provident and productive purposes.
- (iii) Apply fair but competitive interest rates to savings and loans
- (iv) Provide quality financial and non-financial services.
- (v) Give back to the community within which the Union operates.
- (vi) Engage, develop and retain high-quality staff.

CORE VALUES:

- Relevance
- Integrity
- Equity
- Transparency
- Accountability
- Inclusivity
- Professionalism

PRODUCTS AND SERVICES

The Uni<mark>on offe</mark>rs the following products to its members:

Savings: This is the basic but most important product of the Union. Members are encouraged to make regular savings into a swimming pool for future use, for productive purposes and for accessing loans.

Credi-Kid Savings: This is a child savings product. Parents are encouraged to save for their ward's education. The Union pays attractive interest on this product. Terms and conditions apply.

Fixed Savings: This is a savings product with a fixed maturity period. The interest on this product is higher than the interest on ordinary savings. Terms and conditions apply.

Withdrawable Savings: This savings product is for members who save purposely for subsequent withdrawals. Members cannot use this product to access loans.

Regular Loan: This is a general loan accessed by all members and recovered through payroll deductions, bank standing orders, or direct payments over the counter. Members are entitled to two or three times their savings as a loan.

Commercial Loan: This is a short-term loan contracted by a member to promote a private business.

Hot Line Loan: This is a short-term loan contracted by a member for a period of one month or up to three months upon negotiation. An amount not exceeding 50% of a member's net salary (Take Home Pay) is allowable.

Special Loan: This is a type of loan accessed by members for a special purpose and is granted subject to the availability of funds.

Micro Loan: This is a type of loan granted to a group of petty traders involved in the same trade. Group members must join the Union for three months before a loan can be advanced to them.

Agricultural Loan: This is a loan granted to a group of farmers planting the same crop. Group members must join the Union for three months before a loan is granted.

Insurance Product: The UEW-CCU is an agent for Provident Insurance Company Limited, a credible, reputable and viable insurance company that pays its claims promptly. The UEW-CCU sells comprehensive, third-party, fire and allied perils insurance.

Mobile Banking Services: The UEW-CCU has mobile bankers who go to members daily to mobilize savings, loan repayment, and other obligations to the Union.

Mobile Money Transfer: The Union operates MTN, Vodafone and AT Mobile Money services.

MINUTES OF THE 20TH ANNUAL GENERAL MEETING HELD ON 6TH APRIL, 2022 AT THE FORECOURT OF JOPHUS ANAMUAH MENSAH CONFERENCE CENTER, UEW, WINNEBA

1. Attendance

The meeting was attended by Members from Winneba, Ajumako, Senya Beraku, Buduburam and Cape Coast.

The Vice-Chancellor was represented by Prof. Andy Ofori Birikorang, the Pro Vice-Chancellor, UEW.

2. Opening

The meeting commenced at exactly 11:28 am with a prayer said by Mr. Benjamin Nketiah, a Board Member of UEW Co-operative Credit Union.

3. Welcome Address

Mrs. Christina Kilson, the Manageress of UEW Co-operative Credit Union welcomed the invited guest and the cherished members to the 20th Annual General Meeting (AGM) of the Union. The Manageress explained to the members that the long break for the AGM after that of the 19th AGM in 2019 was a result of the COVID-19 Pandemic. She also spoke about the change in the financial year of the Credit Unions in Ghana by Co-operative Unions Association (CUA), Ghana. She made it known to the members that our financial year from July to June has been changed to January to December by CUA at the Biennial Conference in November 2020 at the Credit Union Training Centre (CuTraC, Kasoa).

She again informed members of the successes chalked by our Union's Chairman, that he is now the Board Chairman of the Credit Unions Association (CUA, Central Regional Chapter), Chairman of Ghana Co-operative Credit Unions Association (CUA) and Vice Chairman of African Confederation of Savings and Credit Co-operatives (ACOSCA).

The Manageress concluded the welcome address by updating members on the following areas of operations of the Union; member services, technology and human resources. She thanked the members for their continuous support in the operations of the Union. She also appreciated the contributions of all other stakeholders in the affairs of the Union and thanked them once again for coming.

4. Introduction of Dignitaries

The introduction of the dignitaries was done by Mrs. Christina Kilson. She introduced the Chairman of the function as Dr. B.B.B. Bingab, the Vice-Chancellor's representative, Invited Guests, the Board Members and the Committees of UEW Co-operative Credit Union.

5. Chairman's Opening Remarks

The Chairman in his response, thanked and welcomed the Board of Directors, invited guests and members for gracing the occasion with their presence. He told members that we have met to give an account of our stewardship for the two and a half (2½) years in office as a Board. He informed members that the long break for the AGM was a result of the COVID-19 Pandemic. He stressed the fact that Covid-19 was not certain and could not be predicted. From the Chairman, the Union has chalked huge successes and it is rated the most viable Credit Union in Central Region and rated sixth (6th) out of five hundred and twenty-one (521) Credit Unions in Ghana. He encouraged members present to participate fully to make the meeting a success.

6. Reading of the Previous Minutes

The Board Secretary, Mr. P.P.K. Mbir Taylor read the previous minutes of the UEW, Cooperative Credit Union. He interpreted the minutes in Fanti to the advantage of all members present. He later moved for the acceptance of the minutes of the 19th AGM and was seconded by Mr. Rasmos K. Sam and Mr. Joseph Eshun, respectively.

CREDIT UNION LTD.

7. Address by Vice-Chancellor

Prof. Andy Ofori Birikorang, the Pro Vice-Chancellor, UEW was the representative for the Vice-Chancellor (VC). He was thankful to the Vice-Chancellor who was attending another programme of equal importance for his nomination. He told the meeting how the VC had wanted to be part of the 20th AGM. He extended warm regards from the University Management to the Board, Management and all members of UEW Cooperative Credit Union. He commended the Union after looking through the Annual Reports in the following areas;

- reduction of loan interest from 19.2% to 15.9% during the covid-19 era
- plans to introduce virtual banking.
- opening of new agencies and branches, for example, Buduburam, Senya Beraku and Cape Coast

He was quick to draw the Board's attention to put in major consideration of our members who were not computer literate when it comes to virtual banking.

He pledged the University Management's support to provide Credit Unions more accommodation where necessary. He tasked the Board to also consider the Credit Card system as well. Finally, he urged the Board and Management of the Credit Union to grow the Union to a time when people may prefer the Union services to any other bank.

He concluded by saying that, we should support growing this Union and that all staff of the University and its environs should be part of the Credit Union as was done in the University he attended abroad. He wished the Union well and thanked all members for their attention.

8. Fra<mark>tern</mark>al Gree<mark>ting</mark>s from Siste<mark>r Credit U</mark>nions

AES was represented by Mr. David Nkrumah Adasa. He said that the Credit Unions are not in competition, but the welfare and financial growth in the life of our members are our priorities. Finally, he congratulated the UEW Co-operative Credit Union Limited for the gains made to improve the lives of its members.

GACUM, Mr. represented the Union. He commended the UEW Cooperative Credit Union Limited and encouraged the Union to keep on improving what we were doing.

Mr. Peter Schurler of GSIK – Germany also extended his fraternal greetings. He also commended UEW Co-operative Credit Union Limited after he had gone through the accounts presented. He touched on the increment of total assets and membership within the reviewed periods and challenged the Leadership to continue the good works.

Mr. William Acheampong, Regional Director, Credit Union thanked the members for the opportunity. He informed the members that the Credit Union Decree 252 of 1968 is mandatory for the Board of Directors to render accounts to members every year. Again, he said that the Credit Union is a democratic Union and the AGM is the highest decision-making body. He stressed the differences between the Credit Union and the Micro Finance. He explained that Micro Finance is an individual-based capital venture, unlike the Credit Union, which is for all members with the minimum shares. He expressed his regret for the total number of staff present for the 20th AGM as compared to the community members. He reiterated that the government does not provide Credit Unions grants or loans. Finally, he concluded that members should increase their savings and decrease withdrawals. He encouraged members to take loans and the interests should be shared by all.

8. Keynote Address

By Acting General Manager, Mrs. Lydia Daiki Kesseih (CUA) (ref. from Manager)

9. UEW Credit Union Chairman's Report

The Chairman, Dr. B.B.B. Bingab on behalf of the Board of Directors of UEW Cooperative Credit Union Limited, welcomed all members and guests to the 20th Annual General Meeting of the Credit Union. He expressed his utmost gratitude to all members for their continued trust and patronage of the services of the Union.

The Chairman continued that the Annual General Meetings were occasions during which members of organizations meet to receive reports from the people's elected representatives in whose care they have entrusted the organization, take stock of activities over the past year and take decisions that guide the administration and management of that organization into the following year.

He felt honoured to give an account of the stewardship of the Board of Directors of the Credit Union since the last AGM held in October 2019. The Financial statements published in the Annual Report, address the Union's performance for the years ending June 30, 2020, half year to December 2020 and the year to December 2021, respectively.

Operational

The Chairman reported that the Union could not hold the Annual General Meeting in 2020 as a result of the Covid-19 Pandemic and subsequent to the directive by the Government on the conduct of AGM due to the ban on public gatherings. The financial year of the Union was also changed at the 21st Biennial Conference of the Ghana Co-operative Credit Unions Association from July-June to January to December.

The reporting period was very challenging as the Covid-19 Pandemic hit the country immediately after the Financial Sector Clean up. This affected the Union, members and members' transactions with the Union. The Union had to reduce its interest rate on regular loans from 19.2% to 15.97 to support the borrowers. The Union also granted a

repayment holiday to some members who were severely affected by the Covid-19 Pandemic.

That notwithstanding, members with minimum required shares grew by 204% from 4,747 members in June 2019, the number has increased to 14,454 if group members were counted separately in December 2021. The Union is putting in place measures to enrol staff of Colleges of Education that are affiliated to the University of Education, Winneba,

The Board has approved an extension of the Winneba Office to accommodate the current staff, members and future growth. Currently, the banking hall is not spacious enough to accommodate members during peak periods.

Finances

Membe<mark>rs' S</mark>avings

The Chairman said that we have gleefully observed that members' savings have increased from GHS14,070,172.27 in 2019 to GHS34,203,614.54 in 2021, giving an increase of 143%. Despite the high increase in the savings portfolio, savings retention was 81.76% in the 2021 financial year, which was very worrying. We use this opportunity to assure members that the operation of the Union is safe so they should keep their funds with the Union. Frequent savings withdrawals are not helping the Union.

The minimum monthly savings is GHS20.00. We still have members who save less than the minimum savings. We entreat every member especially the University staff to increase their savings to the minimum of GHS20.00.

We have also observed that some community members do not save after taking a loan facility. We hereby encourage them to add their monthly or weekly savings to their loan repayment.

Net Surplus

Net Surplus for 2021 amounted to GHS3,478,945.62 as against GHS1,350,525.59 reported in 2019, representing an increase of 158%. The Credit Union was able to pay interest of GHS1,715,926.62 in 2021 on members' savings compared to GHS808,183.55 paid in 2019 depicting a progressive rise of 112%.

Loans

For two and a half years, the Credit Union was able to advance an amount of 100,236,920.38 as loans to members for various businesses and endeavours. This

represents an increase of 415.96% over what was granted to members in 2019 which was GHS19,427,249.44.

The Manager's office is mandated to approve loans of up to GHS5000.00.

Interest on loans

As of June 2019, the total interest on loans was GH\$2,962,307.64. The amount increased to GH\$8, 155,222.93 representing an increase of 175% due to good loan management practices. However, the Credit Union reviewed interest rates on regular and special loans in view of the economic indicators and the competitive market. The interest rates were as follows:

Regular Loans: 15.97% per annum (previously 19.2)

Special Loan: 3.2% (previously (3.7) amortization per month

Shares

The Chairman informed members that the Board has proposed a 7.5% and 17% dividend on shares for half year to 2020 and 2021 financial years respectively. The Board paid dividend of 15% on shares for 2018/2019 financial year in October 2019. Members with the minimum shares as of December 31, 2021, were 14,454, if group members were counted separately. Total shares for these members was GHS5,707,783.38 representing an increase of 168% over 2019 total shares of GHS2,130,155.83.

We thank members who bought more shares during the year and also appeal to members with less than the minimum shares to buy at least the minimum. The Credit Union Law LI 2225 (2015) requires all Credit Unions to do business with members with the minimum share capital.

The Board also used that opportunity to propose an upward review of the minimum shares to GHS300.00.

We also encouraged members with the minimum shares to subscribe to multiples of GHS300.00 shares to offer the Union the needed capital adequacy. Members stand to gain a higher dividend if they increased their shareholding.

Investments

In spite of frequent withdrawals by some members, the Credit Union has made significant strides in building its investment base after having satisfied members' loan

demand. The Union had investments forming 21.7% of its total assets in conformity with the Bank of Ghana's requirement of a minimum of 20%. This translated to 10, 718,568.20 against GHS4,381,793.76 in 2019.

Total Assets

The total assets of the Credit Union increased by 150% within 2.5 years, growing from GHS19,697,846.54 in 2019 to GHS49,315,387.81 in 2021. The Credit Union maintained its position as a large-size Credit Union. It is now the 6th Largest Credit Union out of the over 500 Credit Unions in Ghana in terms of asset size. The Union is still a Grade A Credit Union.

Governance

The Union has amended its Bye-laws following the decisions taken at the 21st Biennial and Educational Conference of the Ghana Co-operative Credit Union Association. The conference resolved for Credit Unions to change their financial year from July – June to January to December. It also abolished the ex-officio on the Board and encouraged the Credit Unions to implement the rotational system whereby a percentage of the Board retires at every election. The Chairpersons of primary societies who hold positions at Chapter and National levels would have one year transitional arrangement within which they would be required to hand over their offices.

Corporate Social Responsibility

As part of its Corporate Social Responsibility, the Credit Union donated the following:

- Three 3-in-I patient waiting chairs to Akenten Appiah-Menkah University of Skills Training and Environmental Development (AAMUSTED), Kumasi Campus.
- Eight 3-in-1 patient waiting chairs to Akenten Appiah-Menkah University of Skills Training and Environmental Development (AAMUSTED), Mampong Campus.
- Sponsored the best Business, Technology and Agricultural Student awards at UEW and AAMUSTED.
- PPEs to Efutu Health Directorate and Central Regional Hospital
- 32-inch Samsung TV to the best Vegetable Farmer in the Gomoa East District.
- Supported the Wakanda I business expo organized by the Ghana National Chamber of Commerce in Cape Coast.

- Cash to National Youth Authority
- Fuel to Winneba Fire Station
- Knapsack sprayers to Efutu Municipal Assembly in support of the 2020 and 2021 Farmers Day Celebrations

The total donation to the above institution was GHS67,232.15

Challenges

The Chairman outlined the following challenges the Union was facing. It includes:

- i. Delays in the release of funds deducted by payroll on behalf of the Credit Union Members continue to be UEW Credit Union's major challenge. This affected the income-generating capacity of the Union throughout the year.
- ii. Another challenge was the frequent withdrawals of savings and shares by some members.
- iii. Closure of account by some members when they were unable to withdraw from their account or access a loan facility because their deductions were not released by the University on time, or because they have guaranteed for a delinquent borrower because they do not qualify for a loan facility.

The Chairman used that opportunity to remind members that closure of account requires three months' notice to the Union as the money is always invested. It would take a minimum of three months for the Union to redeem its investment.

Appre<mark>ciatio</mark>n

The Chairman showed gratitude by saying that the Credit Union would not have achieved these successes without the magnanimity of the Vice-Chancellors of UEW, AAMUSTED and the Principal officers. We thank you for your immense support to the Union. We deeply appreciate your support. We kindly request members to continue to maintain confidence in the Credit Union and its leadership.

We also extend our gratitude to the Department of Cooperatives and CUA for the various training programmes for the Board and Committees as well as the staff. These trainings have helped to improve the performance of the Credit Union.

We acknowledge the performance and ability of our skillful staff to stand the tests and challenges, display knowledge and act in a professional manner in all their duties. We are grateful to the Management team for on terminus and technical advice to the Board.

We recognize the immeasurable efforts of members in support of the Union. This Credit Union would not have reached this far without your contributions. My fellow Board members, I deeply thank you for your cooperation, especially in difficult times. We are sincerely grateful to you all.

10. Committees' Reports

10.1. Supervisory Committee

Mr. Timothy Paintsil, the Chairman of the Supervisory Committee presented his report. The Supervisory Committee reviewed the activities of UEW Co-operative Credit Union monthly as mandated by the Bye-Laws of the Credit Union and hereby report as follows: The scope of work covered a review of internal controls, revenue and expenditure validation, review of Bank Reconciliation Statements, review of activities of the Board and Committees. Finally, he concluded by encouraging members to continue to invest in the progress of the Credit Union and also expressed appreciation for the support offered by Members, the Board, Management and the Secretariat in the performance of its duties.

10.2 Loan Committee Report

The Loan Committee report was presented by Mr. Emmanuel Ebo Mensah. He explained the role of the Committee to members as charged with the mandate of approving loan requests from members. The Committee also provided financial advice to members and monitored loan repayment as well as delinquencies. From July 2019 to December 2021, Thirteen Thousand, Nine Hundred and Three (13,903) applications were received and approved, totalling GHS100,236,920.38. There were no rejected loan applications during the period. The table below shows the total number of applicants and the total amount disbursed during the reviewed period:

Period	No. of Loans Approved	Amount	% Total
July 2019 - June 2020	4071	23,127,302.04	23.07
July 2020 - Dec 2020	3,011	21,455,750.53	21.41
Jan 2021 -Dec 2021	6,821	55,653,867.81	55.52
	13,903	100,236,920.38	100

The Committee recommended that all members desist from using their savings balance to repay their loans, as the practice defeats the purpose of savings. The Committee recommends that the Office monitor all loans disbursed to avoid/ reduce delinquencies. Finally, Mr. Ebo Mensah concluded by encouraging all members to stick to their savings plan because it's a sure way of promoting financial independence. The Committee also urges borrowers to be committed and more responsible for monitoring and paying their loans.

11. Presentation of Accounts

Mr. Albert Samuel Cromwell presented the account on behalf of the Board of the Union. He presented the financial report for the year ended 30th June 2020, July - December 2020 and January - December 31st, 2021 as follows:

	2021	2020
Total Income	8,978,691.68	5,789,515.49
Total Operating Expenses	5,499,746.06	3,238,001.34
Surplus Appropriation	3,475,945.62	2,551,514.15
Total Assets	49,315,387.70	35,736,411.29
Curr <mark>ent</mark> Liabilities	34, <mark>417,925.1</mark> 1	25,562,869.69
Equity	5,707,783.38	4,624,833.86
Tot <mark>al Lia</mark> bilities and Equity	49,315,387.70	35,736,411.29

CO-OPERATIVE 12. External Auditors Report DIT UNION LTD.

The external auditors' report was presented by Mr. Stephen K.R. Aforve (a representative from the Department of Cooperatives). In summary, it was reported that the financial statement of UEW Co-operative Credit Union Limited as of June 30, 2020 and December 31, 2021, gave a true and fair view of their financial positions as well as its financial performances and its cash flows for the years ended in accordance with the Cooperatives Societies decrees1968(NLCD 252) and industry standard. He congratulated the Union for this outstanding performance.

The account was approved upon a motion by Mr. Kwabena R. Sam and seconded by Mr. Joseph Eshun.

13. Proposal of Dividends

On behalf of the Board of Directors, the Treasurer, Mr. Albert Samuel Cromwell proposed a dividend of 7.5% for 2020 and 17% for 2021 per share, to be credited directly to the savings or added to shares of members (that was to be made based on the preference of the member). A motion was moved by Mr. Albert Samuel Cromwell and was seconded by Mr. Joseph Eshun and Mr. Kwabena R. Sam, respectfully. Members with one accord accepted the proposed dividend.

14. Adoption of Bye-Laws

Mr. Charles A. Coffie, the Vice Chairman on behalf of the Board of Directors presented the proposed By-Laws to update the existing one of twenty-seven (27) years of operation to members. The Bye-Laws can be referred to from pages 93 – 117 of the 20th AGM brochure. Mr. Charles A. Coffie moved a motion for the acceptance of the By-Laws which was seconded by Mr. Isaac Ennin and Ms. Comfort Appah, respectively.

15. P<mark>rese</mark>ntation of Awards

The presentation of awards to deserving members in various capacities was made by Mrs. Christina Kilson. The following were the awardees and their categories:

- i. The highest shareholder award for Winneba Staff went to Prof. Jonathan Armah.
- ii. The highest shareholder award for Winneba Community went to Mr. Philip E. Quansah
- iii. The highest shareholder award for Senya Beraku went to Madam Akwaboah Isabella
- iv. The highest savings award for Winneba went to Mr. Viscount Buer
- v. The highest savings award for Ajumako went to Mr. Kofi Ampofo
- vi. The highest savings award for Buduburam went to Mr. Wisdom Kwaku Atsu
- vii. The first Credikid savings member ward went to Mr. Alexander W. Essah
- viii. The highest Credikid savings award went to Mrs. Sandra Anaman
- ix. The consistent savings without frequent withdrawal awards went to Mr. Gyankomah Kwesi and Mr. Emmanuel Bonze

The following members were awarded for always bringing in more members to the Union. They were;

- i. Mr. Kwesi Techie Enimy and
- ii. Mr. Isaac Oboh

The following members were also awarded for always saving with the Union. They were;

- i. Mrs. Elizabeth Ansah
- ii. Mr. Prince Asiedu
- iii. Mr. Cletus Mgasu

The following member was awarded for continuous saving with the Union even in retirement: Prof. Emina

The following members were also awarded for their best organization in supporting the Union. They were;

- i. Mr. Buduburam
- ii. Madam Elizabeth Abaka

Cape Coast

16. Statement from Awardee

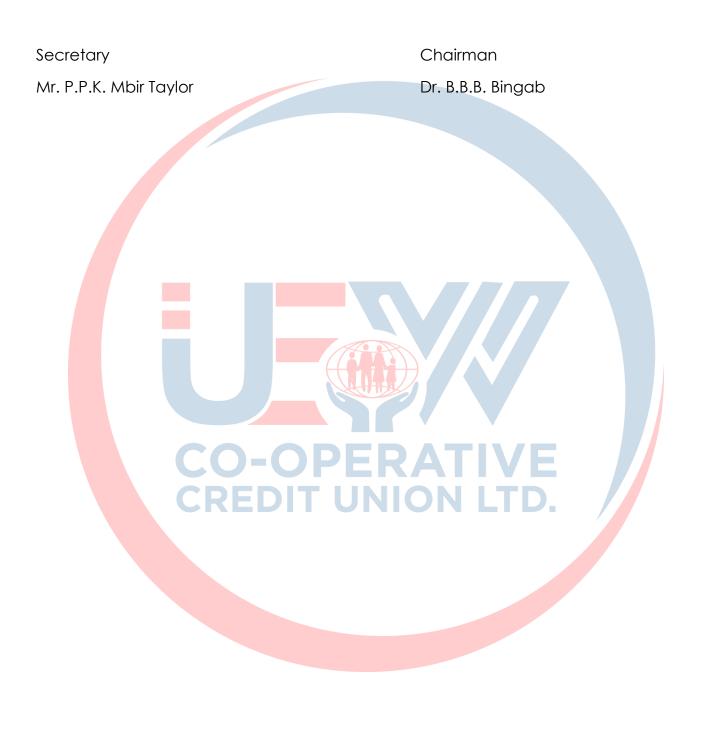

Mr. Richard Yordah on behalf of all the awardees expressed his gratitude to the Board and Management of the UEW Co-operative Credit Union. His award in particular was a surprise and that has also challenged him to increase his savings. He encouraged all members to keep increasing their savings and bring in more members for UEW Cooperative Credit Union to get to the top.

17. Vote of Thanks

Ms. Miriam N.A. Amponsah gave a vote of thanks to bring the AGM to a close. She thanked God for a successful AGM, thanked the Chairman, invited guests, dignitaries and members for gracing the ceremony and making it a success.

18. Closing

At 2:28 pm the 20th Annual General Meeting came to an end. Mr. Benjamin Nketiah gave the closing prayer.

CHAIRMAN'S REPORT

On behalf of the Board of Directors of UEW Co-operative Credit Union Limited, I welcome all members and guests to the General Meeting of the Union. I would like to express our utmost gratitude to you for your continued trust and patronage of the services of the Union.

General Meetings are occasions during which members of organizations meet to receive reports from the people's elected representatives in whose care they have entrusted the organization, take stock of activities over the past year and take decisions that guide the administration and management of that organization into the following year.

I feel honoured to give an account of the stewardship of the Board of Directors of the Credit Union since the last AGM held in April 2022. The Financial statements published in this Annual Report, address the Union's performance for the year ended December 2022.

Operational

You were informed at the last Annual General Meeting that the Board has approved the Winneba Office extension to accommodate increased staff strength, member growth and future growth of the Union. I wish to inform you that the Union has finished the architectural designs and drawings and almost completed the tendering processes.

We are done with the extension and renovation of the Senya Beraku and Cape Coast Agencies to cater for more space for both staff and members.

We have also opened a Virtual Branch to provide financial services to Staff of Colleges of Education, Government Workers, and Business persons who live outside the operating offices of the Union.

Financial

Members' Savings

We have gleefully observed that members' savings have increased from GHS34,203,614.54 in 2021 to GHS45,327306.15 in 2022, an increase of 32.52%. Savings portfolio and retention increased from 18% in 2021 to 32.52% in the 2022 financial year, which was encouraging despite the economic turmoil in 2022. We use this opportunity to assure members that the operation of the Union is safe so they should keep their funds with the Union. Frequent savings withdrawals are not helping the Union.

The minimum monthly savings is GHS50.00. We still have members who save less than the minimum savings. We entreat every member especially the University staff to increase their savings to the minimum of GHS50.00.

We have also observed that some community members do not save after taking a loan facility. We hereby encourage them to add their monthly or weekly savings to their loan repayments.

Net Surplus

Net Surplus for 2022 amounted to GHS3,536397.89 as against GHS3,478,945.62 reported in 2021, representing an increase of 1.65%. The marginal increase in net surplus was a result of the high cost of funds and other operating expenses due to price hikes, unstable economy, and hyperinflation during the last two quarters of the 2022 financial year.

The Credit Union was able to pay interest of GHS2,179,865.04 in 2021 on members' savings compared to GHS1,715,926.62 paid in 2019 showing a progressive rise of 41.59%. The Union increased interest on savings from 6% to 7% during the financial year.

Loans

The total loan portfolio increased by 24.89%, from GHS34,351,519.39 in 2021 to GHS42,897,547.12 in 2022. The CEO was mandated to approve loans of up to GHS5,000.00.

Inter<mark>est o</mark>n loans

As of December 2022, the total interest on loans was GHS8,155,222.93 The amount increased to GHS9,006,895.11 representing an increase of 10.44% despite an upward review of interest rates during the 2022 financial year. Interest on loans was reviewed upward as follows:

Regular Loans 15.57% per annum to 18% per annum

Special Loans 3.2% amortisation per month to 3.5% amortization per month.

Commercial Loans: 2% per month to 2.5% fixed rate per month

Agricultural Loans: Maintained at 3.5% amortization per month

Micro Loans: Maintained at 3.5% amortization per month

Shares

The Board has approved and paid a dividend of 13% on members' shares. The total value of shares for these members was GHS7,990,429.09 representing an increase of 40% over 2021 total shares of GHS5,707,783.38

We thank members who bought more shares during the year and also appeal to members with less than the minimum shares to buy at least the minimum shares of GHS300.00. The Credit Union Law LI 2225 (2015) requires all Credit Unions to do business with ONLY members with the minimum share capital.

We also encourage members with the minimum shares to subscribe to multiples of GHS300.00 shares to offer the Union the needed capital adequacy. Members stand to gain a higher dividend if they increase their shareholding.

Investments

In spite of frequent withdrawals by some members, the Credit Union has made significant strides in building its investment base after having satisfied members' loan demand. The Union had investments forming 25.8% of its total assets in conformity with the Bank of Ghana's requirement of a minimum of 20% and this translated to GHS17,238,406.70 against GHS10,718,568.20 in 2021. We wish to assure members that the recent Domestic Debt Exchange Programme (DDEP) did not affect the Union directly. We have however felt its effects on the business of you, our members.

Tota<mark>l Ass</mark>ets

The total assets of the Credit Union increased by 35.45% during the 2022 financial year, growing from GHS49,315,387.80 in 2021 to GHS66,799,469.98 in 2022. The Credit Union maintained its position as a large-size Credit Union. It is the **2nd in Central Chapter** and the **6th Largest Credit Union** out of the over 500 Credit Unions in Ghana in terms of asset size. The Union is still a **Grade A Credit Union** despite the new grading system that has been introduced.

Governance

The Union has amended its Bye-laws following the decisions taken at the 20th Annual General Meeting of the Union. Members approved for the practice of the delegate system which entailed members electing delegates at their various constituencies to represent them at Annual Delegate meetings. We have started sensitizing members on the delegate system. The Union would inform members of the procedure required for a member to become a delegate to represent a particular constituency. In order to align the elections of the Union with that of CUA. Consultations are ongoing with the Registrar of Co-operatives and members would be informed of the date and procedure for election to the next Board and Committees.

Corporate Social Responsibility

As part of its Corporate Social Responsibility for the 2022 financial year, the Union supported the following activities and institutions:

Activity	Value
Free Health Screening at Senya	GH\$6,000.00
YotoFest Festival at UEW and Winneba Town	GHS4,000.00
ACCOSCA Academy in Kenya	GH\$5,500.00
Windy Kids Academy –UEW	GH\$5,000.00
Farmers Day (Gomoa East & Efutu)	GHS4,698.00
AAMUSTED Radio Equipment	GHS12,029.00
Trauma Hospital (World Prematurity Day)	GHS4,879.00
UEW Scholarship	GH\$5.000.00

The total donation to the above institutions was GHS47,106.00

Cha<mark>lleng</mark>es

- Delays in the release of funds deducted by payroll on behalf of the Credit Union Members continue to be a major challenge. This affected the income-generating capacity of the Union throughout the year.
- Another challenge was the frequent withdrawals of savings and shares by some members.
- Closure of accounts by some members.

I wish to use this opportunity to remind members that as approved by the general membership, closure of the account requires three months' notice to the Union. It takes a minimum of three months for the Union to redeem its investment.

• Economic challenges in the country such as the DDEP, inflation and depreciation of the Cedi affected members' ability to repay their loans according to schedule.

Appreciation

The Credit Union would not have achieved these successes without the magnanimity of the Vice-Chancellors of UEW, AAMUSTED and the Principal officers. We thank you for your immense support to the Union.

We also extend our gratitude to the Department of Cooperatives and CUA for the various training programmes for the Board and Committees as well as the staff. These trainings have helped to improve the performance of the Credit Union.

We acknowledge the performance and ability of our skilful staff to stand the test of time. You displayed knowledge and acted professionally in your duties. We are grateful to the Management team for your continuous and technical advice to the Board.

We recognize the immeasurable efforts of members in support of the Union. This Credit Union would not have reached this far without your contributions. We kindly request members to continue to maintain confidence in the Credit Union and its leadership.

My fellow Board members and other Committees, I deeply thank you for your cooperation, especially in difficult times. We are sincerely grateful to you all.

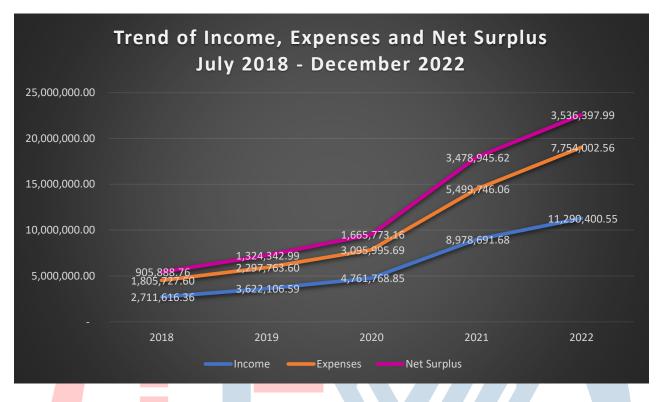

CO-OPERATI

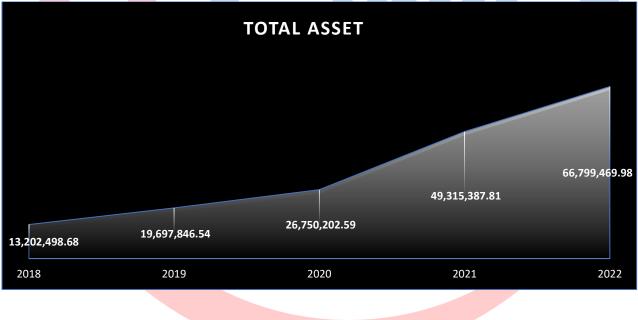

CREDIT UNION LTE

SUPERVISORY COMMITTEE REPORT

1.0 INRODUCTION.

The Supervisory Committee reviewed the activities of UEW Co-operative Credit Union on a monthly basis as mandated by the Bye-Laws.

1.1 SCOPE

The scope of work covered a review of internal controls, revenue and expenditure validation, review of Bank Reconciliation Statements, and review of activities of the Board and Committees.

1.1.1 REVIEW OF INTERNAL CONTROLS

Internal Controls designed by the Credit Union Board and Management charged with governance have been effective and facilitated reliable financial reporting operations. The controls included:

A. SEGREGATION OF DUTIES.

Segregation of duties is an internal control tool applied to prevent petty mistakes and errors and to a large extent, used to prevent fraud. Its application disallows an individual from performing an entire task from beginning to end. The task is segregated into many processes so that the task performed by one person could be checked by the next person continuing it.

At the Credit Union, different Account Officers are involved in the processing of claims.

Raising Payment Vouchers, checking and approvals are done hierarchically along the down chain of command.

Issuing of cheques also follow the same segregation of duties, those who write cheques are different from those who sign them.

With the segregation of duties as an internal control mechanism, it becomes difficult for an individual to perpetrate fraud in the Union.

B. AUTHORIZATION PROCEDURE

Authorization procedures as part of the internal control regime that seeks to achieve protection and security of the Union's funds and other resources by ensuring that only activities permitted within the Rules and Regulations are accepted for processing and payment. In the same vein, funds and other income resources are received and recognized within the same defined boundaries.

C. DOCUMENTS TRANSACTION TRAIL

Document transaction trails exist to create footprints in which transactions and activities could be brought back to life or recreated for verification. It leaves and gives a history of every transaction that has embarked on to its fullest end.

This system is in operation at the Credit Union hence the Supervisory Committee and CUA External Auditors are able to perform their duties unimpeded. Cheque stuff or copies of books used, receipt books and payment vouchers are kept in well-secured cabinets.

D. PHYSICAL CONTROL OVER ASSETS AND RECORDS

Liquid Assets such as cash are banked on a daily basis. Secured Safes are provided to keep cash as and when it becomes necessary.

Fixed Assets of the Credit Union are embossed and recorded in Tally Cards and Asset Registers. A perpetual inventory mechanism is in place to indicate at any point in time holding stock and its values.

1.1.2 BANK RECONCILIATION STATEMENT

Bank Reconciliation Statements have been prepared monthly. They were reviewed and found to be properly prepared.

1.2 REVIEW OF ACTIVITIES OF THE BOARD AND COMMITTEES.

The operation of the Board and the Committees have been worthwhile, fruitful and truthful with respect to the management of the Unions resources.

1.3 CONCLUSION

The Supervisory Committee appreciates the support offered by members, the Board, Management and the Secretariat in the performance of its duties.

LOANS COMMITTEE REPORT FOR THE PERIOD JANUARY TO DECEMBER, 2022

Introduction

The Loans Committee has the responsibility of approving loan applications from members of the Union.

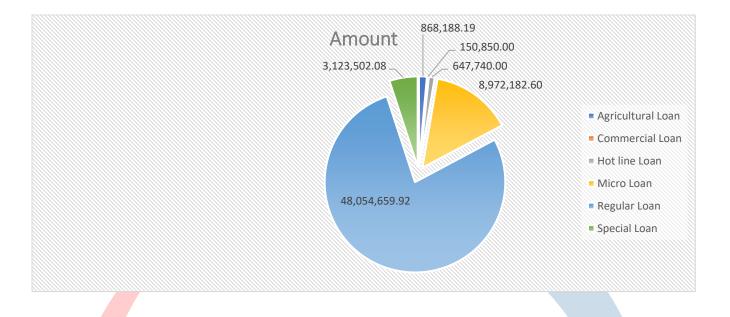

During the period under review, Five thousand Seven Hundred and thirty-Six (5,736) loan applications were received and the same number approved, amounting to Sixty-One Million, Eight Hundred and Seventeen Thousand, One Hundred and Twenty-two Cedis and Seventy-Nine Pesewas (GHS61,817,122.79).

Comparing the previous year's total loan amount of Fifty-Five Million, Six Hundred and Fifty-Three Thousand, Eight Hundred and Sixty Seven Cedis, Eighty One Pesewas(55,653,867.81) to the current year, we saw a percentage increase of 11%.

Details	Amount	No of applications	Percentage (%)
Regular Loan	48,054,659.92	3035	77.74%
Special Loan	3,123,502.08	234	5.05%
Micro Loan	8,972,182.60	1427	14.51%
Hotlin <mark>e Loan</mark>	647,740.00	873	1.05%
Agricultural loan	868,188.19	97	1.40%
Commercial Loan	150,850.00	70	0.24%
Total	61,817,122.79	5736	100.00%

Table 1: Performance of Loan Portfolio by Product

Analyzing Table 1, Regular loan was noted to be the most patronized loan product making up 77.74% of the total loan portfolio, followed by Micro loan with 14.51% of the loan portfolio. The analysis revealed that Special loans, Agricultural Loan, Hotline and Commercial Loans constituted 5.05%, 1.40%, 1.05%, and 0.24% of the loan portfolio respectively.

Interest rate

The union's interest rate remains one of the lowest at 18% per annum. This is the Union's support to our members in these trying times when we find ourselves in the country.

Cha<mark>lleng</mark>es

The Committee within the period under review faced some challenges in carrying out its responsibilities:

- 1. Loan repayment of some members was delayed unduly retarding the flow of cash and causing an increase in the delinquency rate.
- 2. It was observed that members dumped in bulk money to access loan facilities.
- 3. Some members acted as surrogates and they take loans for others.

Recommendation

The Committee recommends that:

- 1. Members should desist from dumping in bulk money to access loan facilities.
- 2. There should be continuous education to aid members to desist from taking loans for others, especially non-members.
- 3. Members are advised to desist from using their savings balances to repay their loans, as the practice defeats the purpose of savings.

Conclusion

We encourage all members to be committed to paying their loans on time whilst they continue to take interest in the growth and development of the Union.

CO-OPERATIVE

CREDIT UNION LTD.

Thank you.

Mr. Emmanuel Ebo Mensah (Loans Committee Chairman)

INDEPENDENT AUDITOR'S REPORT TO MEMBERS OF UNIVERSITY OF EDUCATION, WINNEBA CO-OPERATIVE CREDIT UNION LIMITED

Opinion

We have audited the financial statements of University of Education, Winneba (UEW) Cooperative Credit Union Limited set out on pages 5 to 19, which comprises the statement of financial position as of 31" December, 2022, the Statement of Income and, statement of changes in equity, statement of cash flows for the year then ended, and notes, including a summary of significant

In our opinion, the financial statements present fairly, in all material respects, the financial position of **University of Education**, Winneba (UEW) Co-operative Credit Union Limited as of 31" December, 2022, and its financial performance and cash flows for the year then ended in accordance with Generally Accepted Accounting Principles (GAAP) and the requirements of the Co-operative Societies Decree 1968 (NLCD252) and other regulatory requirements

Basis for opinion

We conducted our audit in accordance with Generally Accepted International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Credit Union in accordance with the ethical requirements that are relevant to our audit of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for

Director's Responsibility for the Financial Statements

As stated in the Credit Union's bye law the Board of Directors are responsible for the preparation and fair presentation of these financial statements in accordance with Relevant Reporting Standards, **Cooperative Societies Decree 1968 (NLCD 252)** and other regulations. This responsibility includes designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

We conducted our audit in accordance with Generally Accepted International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, misstatements can arise from fraud or error and are considered material if, individually or in aggregate. In making those risk assessments, we obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Credit Union internal control. We also evaluated the appropriateness of the accounting policies used and the reasonableness of accounting estimates made by Management, as well, as evaluating the overall presentation of the financial statements.
